Ms. Jennifer Cournoyer
Second Chance Toys

Dear Ms. Cournoyer:

Thank you for your most recent collection drive and your continued support of our work to enrich the lives of babies born into poverty.

Poverty has a deeply profound and crippling impact on young children. Children raised in low-income households are frequently delayed in their emotional, social, physical and cognitive skills and they begin Kindergarten developmentally behind their peers. Room to Grow's unique program minimizes these potential gaps by providing comprehensive services to low-income families, focusing on the critical first three years of a child's life. Your ongoing contributions help us continue our vital work providing parents with the tools and resources they need to help their children reach their fullest potential.

We greatly appreciate Second Chance Toys and your partnership in our work. Wishing you all the best this holiday season!

With gratitude,

Elaine Chow
Director of Communications and Community Relations
