Sasha Lipton

Dear Sasha:

Congratulations! We were pleased to learn that you have been honored as a Distinguished Finalists in the *Prudential Spirit of Community Awards Program State Top Youth Volunteers 2008* for starting the "Second Chance Toys" program.

Your hard work and dedication resulted in 600 rescued and refurbished plastic toys being donated to organizations serving the disadvantaged throughout New Jersey. Additionally, your program addresses environmental concerns by keeping these discarded plastic toys from our landfills.

Your efforts and accomplishments will serve as an inspiration to all who strive to improve their lives as well as the lives of fellow New Jerseyans by volunteering their time for community service. You have provided to the people of this State a glimpse of a future filled with hope and promise.

Again, congratulations on this extraordinary honor.

Sincerely yours,

Thomas H. Kean, Jr.
